EAT (European Audio Team) gives 6 months warranty starting from the date of purchase. The purchase date should be written and stamped on the Warranty Certificate by the distributor/dealer within 21 days after purchase.

Unregistered EAT tubes will be not warranted and EAT will accept only valid warranty claims. Incorrect claims or late warranty registration will void any guarantee.

EAT will replace the tubes providing the following conditions for all customers:

1. The tubes have a warranty of 6 months starting with the date of purchase. The purchase data must be written and stamped by the distributor/dealer within 21 days after purchase (registration).
2. In the event of failure of the tubes, EAT or distributors/dealers will do replacement within valid warranty claims. The tubes must be returned with the **original box & warranty certificate** (date of purchase stamp-registration & complete return form, see EAT website for form) and prepaid shipment, otherwise warranty will be void.
3. Warranty is voided due to improper handling (shipment, operating):
 - Make sure that the electrical specifications of your amplifier are correct before using tubes in your circuit.
 - Failure to follow this manufacturer's recommendation may result in damage to your amplifier or valves and automatically voids this warranty.
 - The tubes should run at the standard specs (see technical data sheet) and not steadily at the maximum values.
 - EuroAudioteam will not be liable for damage resulting from improper use of tubes in your amplifier. Abuse, accidental damage or incorrect use of the tube will be determined by EAT.
 - Only expert technicians can change the working points of the tube. Improper use of the tube or incorrect application of the tube to a circuit cannot be covered by our warranty.

Terms & Conditions

Terms: Unless otherwise specified, all Purchase Orders are invoiced as Prepay (5% off Invoice) by EFT or credit card. Tubes are not eligible for Prepay discount. A 3% processing fee will be added to all credit card payments. VANA accepts Visa, Mastercard, and American Express. All dealer prices are in US currency. All prices and specifications are subject to change without prior notice.

Freight: Prepaid on all product orders over \$2,500.00 (parts excluded) for normal ground freight shipped within the 48 contiguous United States. Dealers in Hawaii, Alaska, and Puerto Rico who qualify for prepaid freight shipped via UPS (under 150 Lbs.) will be invoiced the difference between 48 United States and any additional charges incurred to get the product to their destination. Larger orders will be shipped to the nearest 48 contiguous state location freight forwarder of your choice prepaid. All additional charges will be the responsibility of the dealer. Please arrange in advance of shipment. Shipping: All shipments are F.O.B. VANA warehouse. Dealers are responsible for immediately noting any short shipments, physical damage, or suspected damage, on the Bill of Lading, and must be reported to VANA within 48 hours of product receipt. All claims for incorrect shipments must be received in writing within 7 days from date of invoice. EAT orders can be combined with other VANA brand orders to reach prepaid shipping levels.

Warranty: All Products other than Tubes carry a 2-year warranty. See above for Tube warranty policy.

Please contact us for conditions and the REQUIRED RA numbers for the following:

- DOA: All products carry a 30 day DOA policy.
- Repairs: All repairs require an RA number.
- Returns: Returned merchandise subject to approval.
- Unauthorized returns and returns without all accessories and major parts may be subject to a 15% restocking fee
- NOTE: These RAs MUST be issued by VANA before the product leaves your facility.
