

PANEL BASE CARELLS

360 Style Carrel

390 Style Carrel

FEATURES

- Carrels are available in 360 Series, 390 Series (which features a built in wire management system) or Full Panel Study Carrels
- Available as Single or Double Side and either as Stand Alone Units or Starter/Adder units
- Vertical panels utilize maple or oak veneer over a 3/4" hardwood veneer core
- Top Surfaces have High Pressure Laminates on the surface of a Hardwood Veneer Core, with Solid Wood Edges
- Units are pre-drilled to accomplish choice of 27", 29", or 31" Work Surface Height
- Stand up heights are available in both series
