This expressive collection was designed to meet the many different challenges of culinary art. Some pieces, for instance, incline towards the guest. The special pasta plate, with its dent in the rim, makes it easier to roll the pasta onto the fork. Other plates with gentle indents, act as a reservoir for sauces.

A passion for detail and a natural, handcrafted look - The soft colours and organic shape is unmistakable. A specially developed colour glaze lets the characteristic diamond relief appear in an exciting contrast of light and dark, lending these hand-glazed products a unique colour progression. The porcelain is available in White, Pearl Grey and Ocean Blue. These colours mix well with the stoneware items that are in Bronze and Slate Grey.

Monbijou Rosenthal

The ornate relief-type pattern of Monbijou epitomises the elegance and style of the rococo epoch while the porcelain, with its delicate, regal design suggests a fragile body. In truth, it has a strength and practicality expected from any busy hotel or restaurant.
