

A Dog and His Bone

by Julie Ann Smith

An Odd Count Peyote Pattern

****KNOWLEDGE of Odd Count Peyote is needed as no instructions for this stitch are here within the pattern.**

This was my very FIRST bracelet design. I created it waaay back in 2000. I really wasn't sure what I was doing yet, but to this day, this pattern is a BEST SELLER!

Now I am offering it to you at no charge....with my LOVE!

I used size 11/0 Delica beads, 4lb Fire Line fishing line, Miyuki SILVER LINED CRYSTAL AB round seeds (15-.1001) for the optional trim and a toggle bar and ring for the closure.

I used 8 different colors for a total of 1493 beads! There are 15 columns and 199 rows.

The finished size of A DOG AND HIS BONE is 3/4 inches wide (which includes the trim) by 6 1/2 inches before adding the clasp.

If you need to make your bracelet longer, just simply continue to use Delica #10 (black) and Delica #200 (white) in the established pattern at each end until you have reached your desired length.

The simple PICOT trim is optional. See the next page for placement.

As of this writing in 2019, I have written over 500 bead patterns. My what 20 years will bring...along with A DOG AND HIS BONE! ENJOY!

Please DO NOT share this pdf tutorial. This is how I make my living. Please respect that. I do not mind if you make this bracelet for resale but please give me credit for the design. I appreciate you and your desire to do bead work. I strive to bring you fresh and wonderful designs! Thank you for the opportunity.

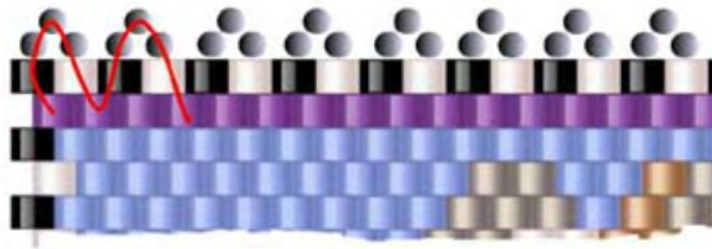

Please email me with questions at: angelamps1234@msn.com

TRIM PLACEMENT

I have used Miyuki round seed beads in SILVER LINED CRYSTAL AB (#15-1001) for the optional PICOT trim.

To do the PICOT stitch, come out any DELICA (preferably starting at an end) and pick up 3-15/0 seeds. Go into the next DELICA.

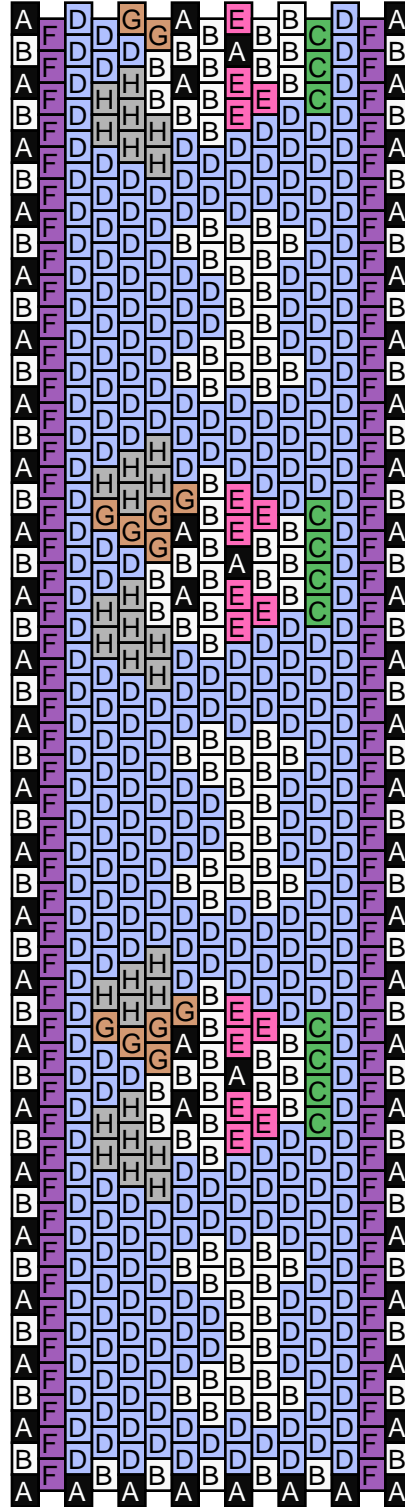

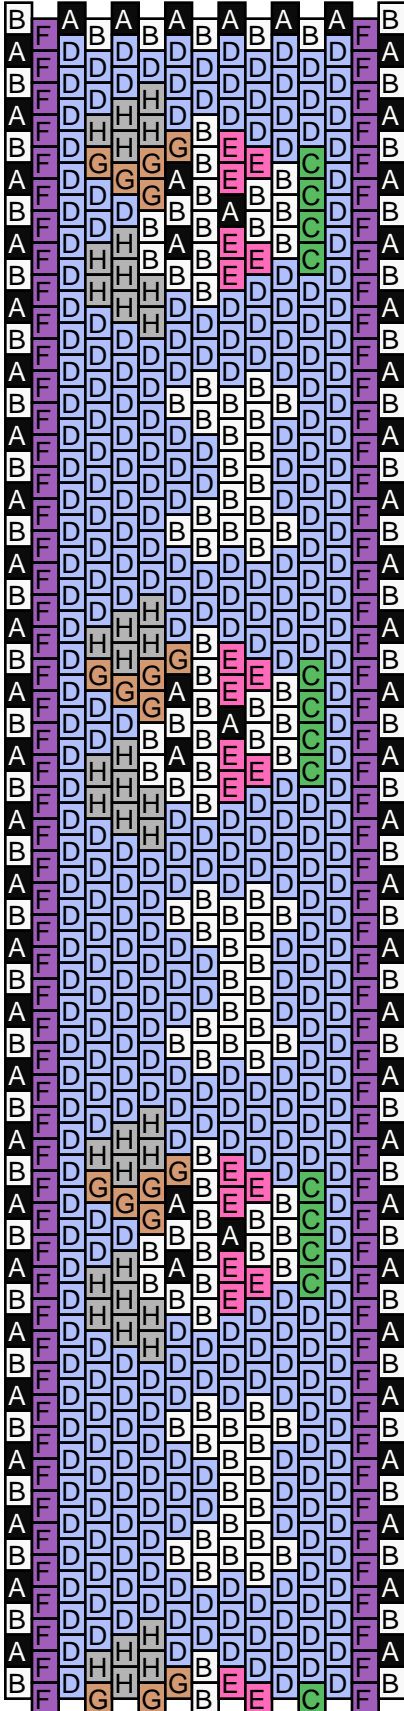

Repeat across the top and bottom of your bracelet!

HAVE FUN!
