

**RAINBOW ROAD**  
by Julie Ann Smith

An Odd Count Peyote Pattern

**\*\*KNOWLEDGE of Odd Count Peyote is needed as no instructions for this stitch are here within the pattern.**

**I love RAINBOWS!** As a young child I can remember seeing rainbows and I was always amazed because every time I saw one, they were different! In RAINBOW ROADS each row is different and of course, very colorful!

I used size 11/0 Delica beads, Miyuki size 15/0 round seeds in Duracoat Galvanized Muscat (#15-4206) for the trim plus 26-2mm SNOW Round Glass Pearls (purchased at artbeads.com). I used size 4lb Fire Line fishing line and a toggle bar and ring for the closure.

I used 10 different colors for a total of 2090 beads! There are 21 columns and 199 rows.

The finished size of RAINBOW ROAD is 1 1/4 inches wide (which includes the trim) by 6 5/8 inches before adding the clasp.

If you need to make your bracelet longer, just simply continue to use Delica #10 (black) and Delica #200 (white) in the established pattern at each end until you have reached your desired length.

The PICOT/PEARL trim is optional. See instructions on the next page for placement.

Now when I see a rainbow, and I see them often here at the lake, I will always remember seeing my very first rainbow down RAINBOW ROAD.

\*\*\*\*\*

Please DO NOT share this pdf tutorial. This is how I make my living. Please respect that. I do not mind if you make this bracelet for resale but please give me credit for the design. I appreciate you and your desire to do bead work. I strive to bring you fresh and wonderful designs! Thank you for the opportunity.

**TRIM PLACEMENT**

I have used Miyuki round seed beads in DURACOAT GALVANIZED MUSCAT (#15-4206) and 26-2mm SNOW ROUND GLASS PEARLS (from artbeads.com) for the optional PICOT/PEAL trim.

As you can see in the photo, I alternated the trim for each panel (separated by the black rows). One set of panels has 4 seeds/1 pearl while the other panels have 2 seeds/1 pearl. I have also place a single 15/0 seed at each black row.

Simply alternate across the top and bottom. I have also used the 15/0 seeds at each end and for the loop that holds the closure. If you use the seeds at the ends, please be sure and work through these TWICE for security!

HAVE FUN!

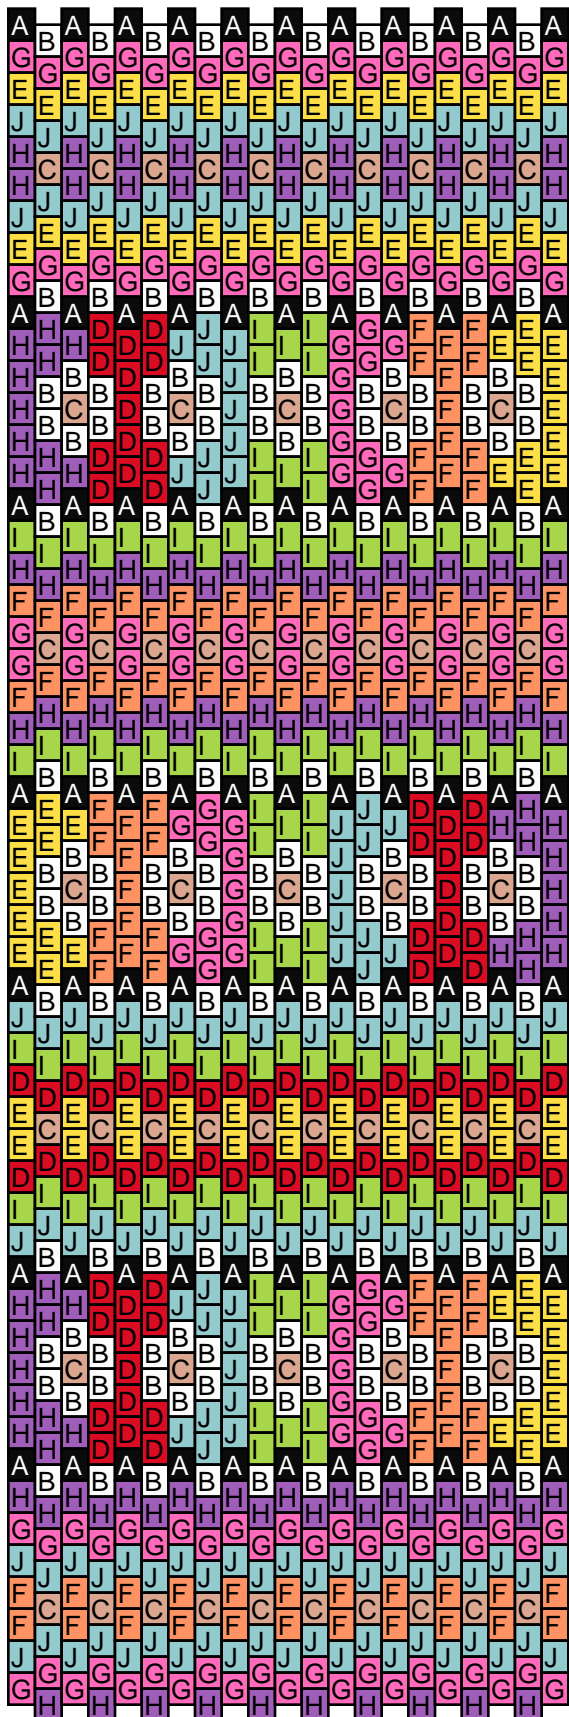

Trim View...

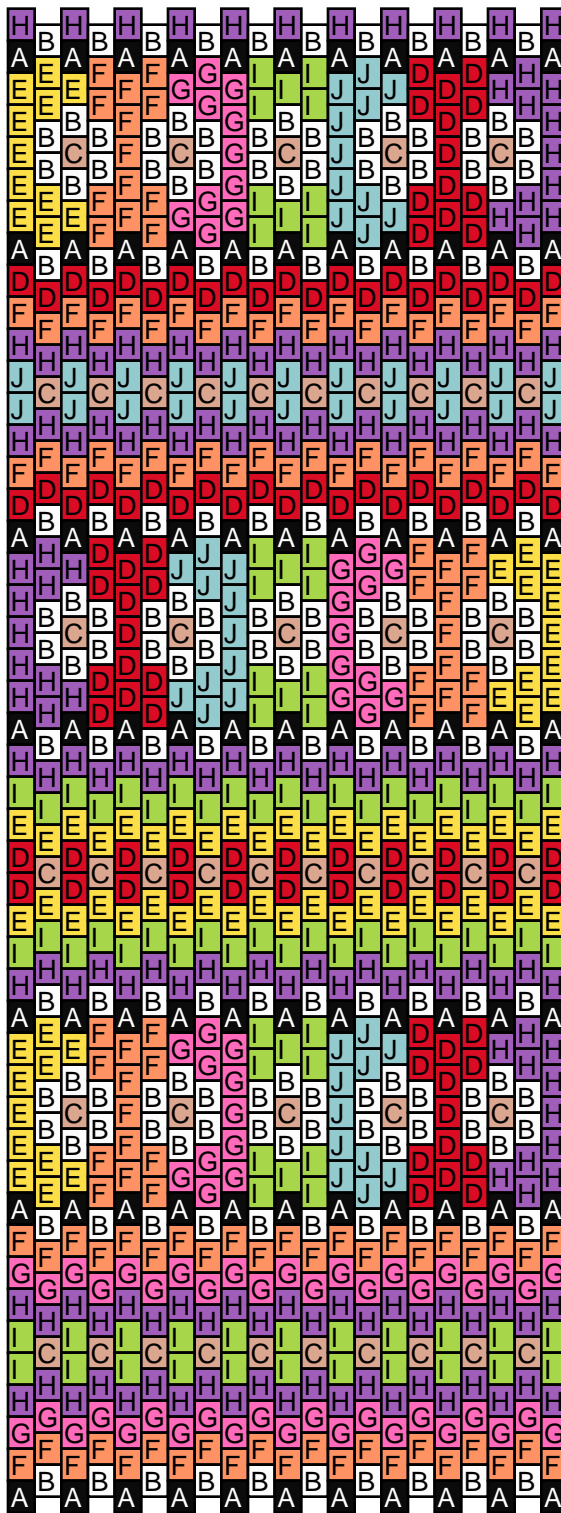

You can see the placement of the trim better here at the bottom of the bracelet.
