

RIDDLE ME THIS...

Can you solve each riddle?

1. I kidnapped a Princess and tried to make her my own,
And used my own servant to make a royal clone.
I tricked the Prince and watch him declare his everlasting love,
But to the wrong girl, whilst Odette watched from above.
2. I am skilled at archery and play games of chess,
But once offended my Princess in five syllables or less!
Amongst friends and family, Odette and I will never be alone,
Happiness ensued with a new Princess – a daughter of our own.
3. When travelling on land I can be quite slow,
I'm usually seen with my frog friend in tow.
Under the water I can move very fast,
And friend for me will always last.
4. I have seen the Kingdom, both from sky and land,
And from being a baby had my future husband planned.
Although first we were far from each other's ideal,
Now for one another, true love is what we feel.
5. I may be green in body, but my blood is blue,
You may not believe me, but I know it is true!
A simple kiss is all I need to break the spell,
But if I will succeed, only time will tell.
6. Disguises were a primary theme,
When carrying out my evil scheme.
I carried out part one dressed as a powerless slave,
Then briefly became a Princess to fool a Prince so brave.
