Nightstand (1)

Legs (2)

Joint Screws (6)

Allen Key (1)

The Clinton Nightstand

Step 1

Lay the nightstand flat on a protected surface with the underside facing up.

Step 2

Rest the legs on top of the corresponding pre-drilled holes.

The Clinton Nightstand

Step 3

To secure the legs, place the screws into the pre-drilled holes and tighten them using the Allen key. Take care not to strip the screws.

Step 4

Take a moment to confirm the hardware is secured tightly at all connection points.

The Clinton Nightstand

Step 5

With the help of another person, carefully flip the nightstand over.
