

The Basel Plinths

MAIDEN HOME

The Basel plinths are handcrafted in New York from luminous honed white onyx slabs, each hand-selected by our founder for the ethereal beauty of its veining and coloring. Available in two sizes, they are intended to serve as sculptural masterpieces, canvases upon which to present treasured items, or side tables for your daily necessities.

Please note that no two slabs of white onyx are exactly alike due to natural nuances in the stone, making every Basel plinth one-of-a-kind.
