Limited Conditions: The purpose of this report is I.D. and consumer information only. North American Gemological Laboratory (N.A.G.L.) has prepared this report in accordance with accepted gemological standards using the state of the art gemological equipment. N.A.G.L. certifies that with respect to this report we have acted in a completely independent manner and have no direct financial interest in this item. This report is not an offer to buy or sell the item at any price. Fees paid for this appraisal does not include the services of the appraiser for any other matters whatsoever. The possession of this report does not carry the right of publication without the appraiser's authorization. All colored gemstones are assumed to be treated unless otherwise noted. Unless otherwise stated, all gemstones are graded and evaluated in their mountings and only to the extent that the mounting permits examination.
