KNOW YOUR INTENTIONS

## ANGKASA

ANGKASA reminds you to follow your North Star. Let the moon, the stars and the sky guide your steps. Follow what makes your heart sing, instead of what is expected. Its subtle patterns are reminiscent of the stars in the sky.

## KAPAS

KAPAS connects you to the cycle of life, from seed to bloom. Adornment comes in the subtlest form of classic crafts that have found its way back from our ancestors to us. Each piece made with this fabric is grown regeneratively to heal Mother Earth

## PAGISENJA

**PAGISENJA** helps you simplify. Each thread is a story. Yours, and ours. Weaving a fabric of our interwoven lives. Its texture and motif are crafted through the Double Ikat technique, each is manually inserted by our master weaver.

## SELAH

**SELAH** is the space between. Your invitation to pause, finding that space between stimulus and response. For in it, is our true freedom. Reinterpreting the complex craft of Ikat, each line is a connection between you and that space.
