

HEIRLOOM STOCKING

Instructor: Edie Kemp

Please use this supply list to ensure that you have everything you need in order to guarantee a successful outcome. We may not be able to provide certain machine accessories or supplies should you forget yours.

You will need to have at least a triple straight and honeycomb stitch to do this project. Any decorative and satin stitches are a plus! Patterns will be given during class.

Though this is a Bernina link, the information is applicable to other brands of machines and gives you insight into the project before class. <https://weallsew.com/the-beauty-of-hemstitching-history-and-techniques/>
