### ROSEMARY INFUSED

DERMagic Skin Care for Animals

([dermagic.com](http://dermagic.com)) has added the Rosemary Feline Shampoo Bar to its offering for cats. The bar is specially formulated with all-natural, sulfate-free ingredients to provide an effective, yet gentle product for grooming cats. DERMagic incorporated rosemary essential oils into the lightly-scented shampoo bar that makes grooming easier, allowing a pet owner to hold the cat with one hand, while creating a thick, rich, easily-rinsed lather with the other.
