

COLOUR MATCHING

PRECISION IS OUR EXPERTISE

We offer comprehensive colour matching services, not only for our range of stone effect coatings, but also for our brick repair solutions. Our dedication to precision goes beyond merely matching colours; it extends to texture and mineral content.

At Stonelux we understand that achieving the perfect finish is the cornerstone of a project's success.

Our highly skilled Colour Matching Team combine the precision of laboratory expertise with their seasoned eye for detail. They meticulously assess colour, texture, and mineral content, ensuring the most accurate match.

Tailored for Professionals

Our highly skilled Colour Matching Team combine the precision of laboratory expertise with a keen eye for detail. They carefully assess colour, texture, and mineral content, ensuring accuracy in every match.

Whether you are a seasoned repair technician, stone manufacturer, restoration specialist, architect, designer or lightweight moulding manufacturer, our bespoke services are expertly tailored to meet your specific colour matching requirements.

Precision Colour Matching

SEAMLESS REPAIRS

Achieve flawless, colour-matched repairs when working with stone and brickwork. Our precise colour matching services ensure that repairs blend with existing structures.

HISTORICAL AUTHENTICITY

Preserve the historical integrity of buildings with expert colour matching services. Matching to a building's existing materials ensures that the architectural heritage is respected & maintained.

COLOUR CONSISTENCY

Maintain a uniform colour across your stone range. Ensure your products consistently exhibit the desired colour, whether for repairs or new installations.

OFFER VERSATILITY TO YOUR CLIENTS

With our bespoke services and extensive colour library, you can provide unparalleled flexibility to your clients. Whether they require historical matches, consistent colour or custom stone effects, we offer a tailored solution to meet their needs.

EXCEED EXPECTATIONS

Our colour matching goes far beyond industry standards, it exceeds client expectations.

Our Services

1.

COMPLIMENTARY COLOUR MATCHING

Achieve an accurate colour match effortlessly. Send us your sample, and our colour match team will search our extensive colour library, encompassing thousands of existing stone and brick colours, for a match.

If we find a close match, we will provide you with a FREE cured sample swatch for your review.

2.

PRECISION COLOUR MATCHING

If we don't have an existing match, you can utilise our precision colour matching service.

Our experts will evaluate your sample under different lighting conditions and varied settings to create a hand blended colour and texture match uniquely tailored to your project.

3.

BESPOKE COLOURS & FINISHES

At Stonelux, we understand that every project is unique, and achieving the perfect colour and finish is essential to bringing your vision to life.

Our bespoke colour service offers unmatched flexibility and creativity in customising colour and texture to match the stone and brick effect requirements of your project.
