

This small and discreet plinth light is available with either cool or warm white LED, giving a choice to suit any particular design. The 15mm plinth lights are available in a 4 or 10 light kit, which includes the power converter. Add on lights are also available, upto a maximum of 10 lights can be run per power converter. They are also IP67 rated making them suitable for a bathroom environment.

A matt black cover is now available, please purchase the kit option, plus the black covers separate.
