## SlingBelt Carrying System

Thank you for your purchase of a SlingBelt System, our best in class designs do not compromise fit, functionality or form. Our goal is single minded, to provide secure camera carrying systems that free your hands, keep your equipment safe and your body mobile, Ready To Shoot Now!

1. Secure **SlingBelt** around your waist using the clasp adjust to fit. to your size

2. Secure **Tether strap** around the eyepiece of your camera.

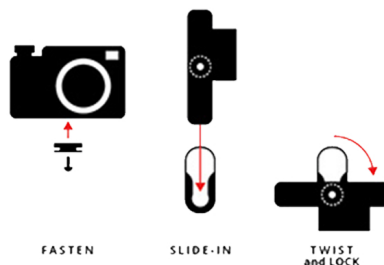

3. Secure **Hub** with **Rubber Washer** to the base of your camera with the arrows facing front and back

4. Slide your camera in at 90 degrees

5. Lens down the camera locks with our patented **twist & lock** **Patented Twist& Lock System**

6. Add a **secondary holster** to one of the 2 **landing pads** to carry a second camera

7. Add a **lens bucket** to one of the 2 **landing pads** to carry anything you need

8. Add an **Everything Bracket** to secure a tripod, monopod, or whatever else you can wrap it around to make everything Cotton Carrier compatible
