

WALLMOUNT RANGEHOOD 120cm CL8812, 150cm CL8815

- **innovative design** - extra large extraction zone better captures cooking smoke and odours from over the BBQ grill.
- **high quality** - 304 grade stainless steel canopy is more durable for an outdoor room or under-cover patio.
- **3 speed levels** - easy to use push button controls.
- **powerful extraction** - twin, in-built motors provide a powerful 2700m³/hr of airflow for efficient and effective clearing of steam, smoke and odours.
