

UNDERMOUNT RANGEHOOD 100cm CLUM10, 120cm CLUM12

- **innovative design** - stainless steel undermount rangehood which integrates seamlessly into cabinetry in alfresco/outdoor dining areas.
- **high quality** - 304 grade stainless steel canopy is more durable for an outdoor room or under cover patio.
- **3 speed levels** - easy to use push button controls.
- **powerful extraction** - twin, in-built motors provide a powerful 2700m³/hr of airflow, for efficient extraction of steam and smoke, to leave the outdoor kitchen air fresher.

UNDERMOUNT RANGEHOOD 100cm CLUM10, 120cm CLUM12

DESCRIPTION
