DANCER FOOT CARE KIT

This adorable pouch contains a spiky **Massage Ball** for the bottom of your feet, back, calves, and quads.

DeFeet Da Funk Deodorizing Foot and Shoe Spritz will de-stinkify your feet, shoes, and dance bag with its super strong deodorizing spray formulated especially for those extra stinky dancer feet. It smells so good and is hand-crafted with high quality essential oils.

Our four piece **Nailed It Manicure Set** will keep your toenails trim for a less painful pointe class.

WHIF DANCE DEODORANT

If your port de bras cause your fellow dancers to pass out, get a WHIF...or two. Both scents, **Rosy Pits** and **Minty Pits**, are hand-crafted with responsibly-sourced ingredients in our Covet Lab and will keep you stench-free on stage.

WHIF has **NO ALUMINUM, NO BAKING SODA, and NO YUCKY CHEMICALS!** While this deodorant works great for adult dancers, it was designed with tweens and young teens in mind.

FACE CARE DUO

This duet is an after-dance must-have! Remove your stage makeup easily then cleanse and nourish your face.

DANCE OFF - This magical micellar water **removes stage makeup quickly** and easily with just a cotton pad. Tea tree oil is known to have anti-inflammatory and antimicrobial properties and is commonly used in acne treatment.

TRIPLE THREAT Facial Cleanser with **three Antioxidant Organic Teas** washes away the harsh effects of stage makeup with calming antioxidant-rich organic **rooibos, green tea, and white tea extracts.**

FIZZY FEET FOOT SOAK BOMBS

Pamper those tootsies with these pretty **pointe shoe-shaped foot soak bombs** that explode with aromatic relief. Just add to a tub of warm water, insert your feet, and turn off the world for awhile.

Hand-crafted in our Covet Lab.

MASSAGE ROLLER & SPIKY BALL

Great for studio stretching and post-dance relief, this lightweight muscle roller is a perfect addition to the studio dance bag. Featuring over a dozen independently moving massage wheels, and ergonomic handles this handy muscle machine makes it easy to zero in on any area that needs attention.

The Spiky Massage Ball provides much-needed relief for the bottom of your feet, back, calves, and quads.
