

Mia's Bloom Box Charities, Our Year Of Community Impact

The empowered person creates a better life for themselves, lifts others up, and works to protect our future. It is important to all of us here at Mia's Botanicals, to make an impact on the community that we are so lucky to be a part of.

From supporting the dignity of others through donations of wonderful aromatherapy personal care products to collaborations that foster financial support, this is our year of community impact.

2020 was an exceptionally difficult year for many dealing with the Pandemic and all that it has caused. In spite of this, we were able to provide support here in New Mexico – contributing more than \$600.00 in goods, time, and funding.

Esperanza Shelter

Esperanza Shelter is a domestic abuse agency. They offer safe, confidential housing, counseling, food, clothing and supplies. They also help get women and children to their shelter if needed. Esperanza also helps abuse survivors work within the court system.

Mia's Botanicals provided nine (9) Bloom Box Aromatherapy Gift Sets to families who were under the support of the Esperanza Shelter during the holidays. Not only did these sets include aromatherapy personal care products, but also toys for the children. All with the intent of letting families know that they are loved and cherished by many. They were disseminated in time for the holidays.

Looking forward in 2021

We strive to improve upon the manner in which we support local area victims of domestic violence, including homeless women and children. As a result, we have made changes to our Bloom Box Charities program!

Mia's Botanicals will now donate 0.5% of the purchase price from your eligible purchases *on our entire website* at no cost to you.

In addition, you have the option of purchasing aromatherapy personal care items on our Bloom Box Charities collection that will go directly to the clients of the shelter.
