

Mia's Bloom Box Charities, Our Year Of Community Impact 2021

The empowered person creates a better life for themselves, lifts others up, and works to protect our future. It is important to all of us here at Mia's Botanicals, to make an impact on the community that we are so lucky to be a part of.

From supporting the dignity of others through donations of wonderful aromatherapy personal care products to collaborations that foster financial support, this is our year of community impact.

2021 was an exceptionally difficult year for many dealing with the Pandemic and all that it has caused. In spite of this, we were able to provide support here in New Mexico – contributing more than \$600.00 in goods, time, and funding.

Mia's Botanicals Bloom Box Charity Contribution for 2021

We are proud to continue our support to local area high schools. We donate time and funding and personal care products in support of support athletics and music programs in the New Mexico.

History

We are proud to support local history through events at El Rancho De Las Golondrinas (The Ranch of the Swallows). This ranch dating back to the early 1700's is now a living history museum. We donate time and funding. "Learn from yesterday, live for today." ~ Albert Einstein
