

Dear Store Manager,

As a regular shopper in your store, I would love to see you carry Mia's Botanicals Aromatherapy Personal Care products! Mia's Botanicals makes the best aromatherapy products around, packed with natural and organic ingredients with no parabens, phthalates or fragrances. With many personal care products, eye-catching packaging, and an ever-growing fan base, Mia's Botanicals would be an excellent addition to your personal care selection!

Mia's Botanicals originated in Santa Fe, NM by Karin Frost-Madrid a certified aromatherapist for use in her own household. She focused on formulating aromatherapy personal care products for her family and close circle of friends.

The entire aromatherapy personal care line is free of parabens, phthalates or fragrances and many are vegan and free of sulfates. Mia's Botanicals employs the quality and safety practices to assure quality, safety and ultimately aromatherapy efficacy.

If you would like more information about Mia's Botanicals or would like to request a sample pack, you can reach Karin by email wholesale@miabotanicals.com or by calling her office at (505) 471-3943.

Thank you for your consideration.
