

How To Use Your Fragrance Lamp...

Fill lamp 2/3 full with
Ashleigh & Burwood
fragnanced lamp oil

Insert the stone/wick
assembly into the
lamp

Cover the stone with
the snuffer cap and
leave to soak for 20 mins

Remove cap and
light the stone -
leave burning with
a flame for 2 mins
and then blow out

Cover the stone
with the decorative
lid - the lamp is
now cleaning and
fragnancing the air

After 30-45 mins stop
the lamp by removing
the decorative lid
and replacing the
snuffer cap
