REPORT OF ANALYSIS

For: (34261) RAW ORGANIC WHEY
Raw Organic Whey Protein Powder

Detailed Method Description(s)

Pesticides (LC/MS/MS) in pet foods with QuEChERS

Sample analysis follows MWL HPLC 045 which is based on AOAC 2007.01 (mod). Samples are prepared to obtain a homogeneous material and then pesticides are extracted using the QuEChERS procedure. The extract is then analyzed by LC/MS/MS with identification based on established pesticide libraries contained within the instrument.

The result(s) issued on this report only reflect the analysis of the sample(s) submitted.
