CLASSIC

EASY TO USE AND EXCELLENT VALUE

Espresso brewed to perfection and easy extraction with the Classic

The reliable UNIC technologies appreciated by coffee professionals take form in the Classic 1, 2 and 3 range. With its full stainless-steel design, sustainable and recyclable components, the Classic series new line will take you to a quality/price ratio unseen in the industry. Designed and manufactured by UNIC, the Classic is the perfect traditional espresso machine to ensure an excellent quality espresso result, and consistency even during the busiest periods of the day.

User friendly and competitive

With its easy operation and serviceability, the Classic offers technical features ensuring outstanding coffee throughout the day: thermo-regulated Maestro brew group, volumetric command, pressostat HW/S Boiler, independent control boxes, automatic cleaning, built-in cup warmer.
