

Commercial Shop Grinder

# Foxtail

The Foxtail is for roasters, wholesalers, retailers and everyone else in need of a commercial shop grinder that is capable of grinding over 2.5 kg/5 lbs of coffee per minute. Three-phase power, 120 mm flat discs with a range from Turkish fine to cold brew and a high-capacity hopper ensure even the highest volume demands can be met day in day out.

## Commercial coffee volumes in a breeze

Equipment uptime is maximized by Foxtail's new and innovative service concept of easily replaceable pre-assembled modules for the grinding and electrical components. Contact your service partner to send in your module and receive a new or refurbished replacement module the next day rather than spending your precious time with repairs.
