**PATTERN NOTES**

Butterfly™ features a unique stripe pattern where approximately two thirds of the cake is one solid color and the remaining third features a 5-color stripe. This Cardigan is worked in 2 pieces using 1 or 2 cakes per piece from the underarm out. You will make 2 large hexagons that are folded and seamed together at the back, shoulders and sleeves. Each hexagon makes one side and one sleeve of the Cardigan. Work begins from smaller striped section of the cake for a striped effect, larger sizes will use 2 sets of stripes. Join all rounds with a slip stitch.

**CARDIGAN****Granny Hexagon (Make 2)**

*Note: Work from the smaller striped section of the cake, so the stripes begin at the underarm.*

*Sizes Medium/Large, 1/2X, 3/4X will begin with the stripe sections from two cakes per hexagon. Once all stripes have been worked from the cake, work the remainder of rounds as instructed in the pattern using the larger solid portion of 1 or both cakes.*
