K1b (knit 1 below): Knit the next stitch, inserting needle into the loop directly below the needle instead of the loop on the needle.

P1b (purl 1 below): Purl the next stitch, inserting needle into the loop directly below the needle instead of the loop on the needle.

NOTE

This stitch pattern tends to spread a lot in width. It is important to cast on and bind off loosely to avoid having these edges be much tighter than the body of the cowl.
