FINISHING

Tassels (make 4)

Wrap CC around cardboard 30 times. Cut two 12" pieces of CC. Thread one piece into tapestry needle and pass through one end of wrapped yarn. Tie in a knot to secure this end. Cut open the opposite end, freeing the tassel from the cardboard. Wrap the second piece of yarn around the entire tassel several times approximately ¾" below the tied end. Trim pom-pom evenly to approximately 2¾".

Weave in ends. With WS of Sides together, seam 3 sides together using mattress stitch. Sew one Tassel to each corner. Place pillow form inside seamed pillow. Seam remaining side. Sew remaining Tassels to pillow.
