This Blanket is worked flat from end to end.

Tassels are added to the corners once the knitting is complete.

Folded in half diagonally, this also makes a super cozy wrap!

**Next Row:** Knit.

Work even in **Stripe Pattern** until piece meas 40" from cast-on edge, end having just worked a Row 3. With MC, loosely bind off all sts.

### FINISHING

**Tassels** (Make 4)

With MC and CC held together, make tassel. If using tassel maker, follow manufacturer's instructions.

To make your own tassel maker, holding piece of cardboard vertically so it is taller than it is wide, cut a ½" tall by 2" wide slit 2" down from the top of the rectangle. See diagram on next page. Wrap yarn around section of cardboard with slit to desired thickness. Tie a piece of yarn around the tassel using the slit.

Remove from cardboard at cut bottom of tassel. Attach a tassel at each corner of Blanket.

Weave in ends.
