STITCH GUIDE

Magic Ring: Wrap yarn around your left middle finger twice, leaving a 6" tail. Insert hk under both strands and pull up a lp. Ch 1 and beg working directly into center of ring. This ring can be tightened later by pulling on the yarn tail.

Inv-dec (invisible single crochet decrease): Insert hk in front lp only of each of next 2 sts, yo and draw through both sts, yo and draw through 2 lps on hk (1 st dec'd).

PATTERN NOTES

When working in continuous rounds, place a marker in first stitch to indicate beginning of the round. Move marker up as each round begins. Join with a slip stitch in first stitch of round. When making Hat Leaves, try to cherry-pick the shade in your colorfusion skein so they're all different colors. When sewing the Leaves to the Hat, be sure that the Leaf contrasts with that particular section of the Hat.

following the same path. Pull taut to create rib. Use the same steps to create 8 equally divided sections. For the best result start by dividing pumpkin in half sections, then quarter sections then in 8 equal sections. You can vary the height of your pumpkins while creating ribs by pulling tighter which will create a shorter, wider pumpkin.
