PATTERN NOTES

This triangular bandana is worked in one piece outward. The edging is crocheted directly onto the bandana. This pattern is written in three sizes, but is easily adjustable to get the perfect size for your dog. Consider making one for yourself to match!

When changing colors, work the last step of the single crochet of a row in the new color. Cut colors and weave in ends between stripes. Suggested striping options are provided in the pattern, but feel free to get creative and make up your own!
