PATTERN NOTES

This is a quick and easy project, perfect for kids! Add color and personality to your children's backpacks and lunch bags to make everyday items feel special and unique. The yarn listed is more than enough to complete 4 pom-poms as shown.

POMPOM KEYCHAIN

Step One (pom-pom)

Follow pom-pom package instructions to make each pom-pom. If desired use more than 1 color for fun effects. The pom-pom shown below uses Turquoise and Fruit Punch. The other pom-pom pictured in the main image uses all three colors. Do not trim.

Step Two

Wrap and knot securely two 16" lengths of yarn around the center of pompom. Using ends of first length of yarn, tie a knot around the split ring just above the pompom edge to attach.

Step Two

Step Three (tassel)

Wrap yarn around cardboard square 50 times. Thread needle with another length of yarn and insert under yarn wraps at top edge of cardboard. Pull tightly and knot securely. Cut yarn wraps at bottom edge of cardboard and remove. Tie another strand of yarn around the group of strands, about 1" below top knot. Magenta is shown below.

Step Three

Step Four

Step Four

Thread next length of yarn and insert through top fold of tassel and tie in a knot, attaching tassel to pompom.

FINISHING

Trim pompom and tassels as desired.
