PATTERN NOTES

To reduce time spent weaving in ends, prepare your yarn by using a needle and thread to sew the ends of the skeins together, and then wind into one giant ball. This will save you from needing to weave in lots of bulky ends during finishing.

For stitch markers, use contrasting colored scrap yarn to make a ring that fits loosely around your knitting needle.

THROW

With larger needle, using long tail cast on, cast on 41 sts.

Row 1 (WS): K1, p2, pm, work [Row 1 of Braided Cable pattern] 3 times, pm, p2, k1.

Row 2 (RS): P1, RT, sm, work Row 2 of Braided Cable pattern to marker, sm, LT, p1.

Working RT and LT at each edge on RS rows, continue working in pattern until throw measures approx. 38", ending on Row 6 or Row 12 of pattern.

Bind off in pattern.

FINISHING

Weave in ends, using your fingers to push and pull the ends through the stitches. Using needle and thread to sew the ends in place in an inconspicuous spot.
