

**FINISHED MEASUREMENTS**

Approximately 36" x 60"

**MATERIALS**

Premier® Yarns *Couture Jazz™* (81% acrylic, 19% polyamide; 500gm/81.5 yds)

- 1080-03 Denim – 2 balls

**Notions:** Sewing needle & matching thread

**GAUGE**

Work evenly and consistently throughout

**PATTERN NOTES**

The cleanest way to join a new ball of yarn is to use a needle and thread to sew the two ends together. I fold the last 1-2" of each end into the inside of the tube (so that the raw edge is hidden) and quickly whipstitch them together. I sew all of my skeins of yarn together at the start and roll them into one giant ball before I start knitting.

**BLANKET**

**Cast On:** Make a larger slip knot about 72" from end of yarn, place slip knot on right arm. \*With left hand twist a loop into the tail, with right hand reach through loop and grab the opposite end of yarn (the end attached to the ball), pull yarn through loop and place on right arm to form a stitch; rep from \*

**Knit from right arm to left arm:** With yarn on the far side of your project, \*pick up working yarn in your right hand, slide next st on right arm over hand and off arm, place new stitch from right hand onto left arm; rep from \* across arm.

**Purl from the left arm to the right arm:** With yarn on the close side of your project near your body, \*pick up working yarn in your left hand, slide next stitch on left arm over hand and off yarn, place new stitch from left hand onto right arm; rep from \* across arm.

Repeat last 2 rows until approximately 72" of yarn remains.

**Bind off:** Working in either direction, work 2 sts, slide 1<sup>st</sup> st over 2<sup>nd</sup> st and off arm, \*work next stitch, slide 1<sup>st</sup> st on arm over new st and off arm; rep from \* across. Cut yarn and pull through last loop.

**FINISHING**

Use your fingers to weave in ends. Use needle and thread to secure them in an inconspicuous spot.
