FINISHING
Assembly
Squares are joined using a 3-needle bind-off from the RS of the fabric. This creates a decorative ridge between the squares.

Using the Assembly Diagram as a guide, join as follows.
With first circular needle and A, pick up and knit 33 sts across the top edge of the bottom 3 squares – 99 sts total.
With second circular needle and A, pick up and knit 33 sts across the bottom edge of the center 3 squares – 99 sts total.
Holding the 2 circular needles in left hand with WS together, use the straight needle as the 3rd needle and bind off using the **3-needle bind off** in A.

Following the same technique, join the top edge of the center row to the bottom edge of the top row of squares.
Then join the vertical seams in the same fashion.

Edging
With a circular needle and A, pick up and knit 101 sts across one edge of the throw (33 sts across each square and 1 st in each bind-off ridge). Knit 1 row. Bind off leaving the last st on the needle.
*Rotate, pick up and knit 102 sts across the next edge of the throw (33 sts across each square, 1 st in each bind-off ridge, and 1 st in edging). Knit 1 row. Bind off leaving the last st on the needle.
Repeat from * once more.
Rotate, pick up and knit 103 sts across the last edge of the throw (33 sts across each square, 1 st in each bind-off ridge, and 1 st in edging at both ends). Knit 1 row. Bind off.
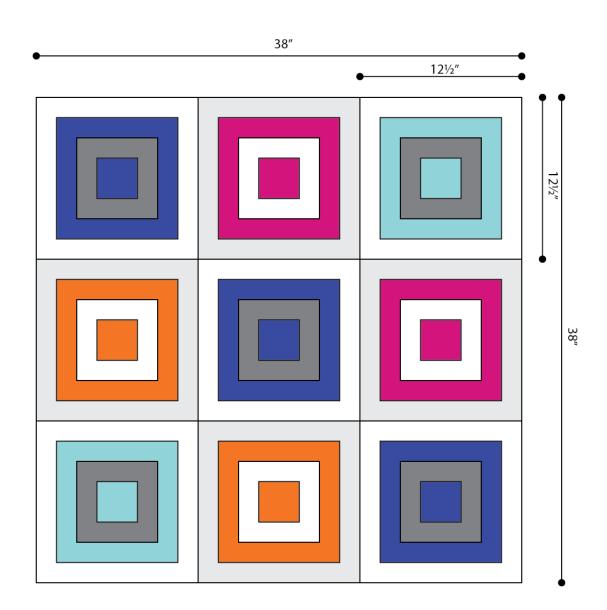

Weave in ends.
