PATTERN NOTES

Soft and cozy stripes in coordinating neutrals make for a great accessory. Knit in Merino Mist, the Inverse Hats are sure to become a wardrobe staple. Merino Mist's slight metallic sheen means this hat is easily dressed up or down. The simple stripe pattern with colors reversed for each sample creates a timeless look. The best part – one ball of each color is sufficient to knit two hats!

When working in Stripes patt, do not break yarn at the end of each stripe. Instead, twist the strands of yarn around one another every round, taking care not to twist too tightly.

Take note that color MC and CC as referred in the pattern will be different, depending on the sample you choose to make.
