**PATTERN NOTES**

When working in continuous rounds (spiral), place a marker in first stitch made to indicate beginning of round. Move marker up as each round begins. When working with chenille yarns, the ends need to be "sealed" to prevent shedding. Remove some of the fibers from the core threads, tie the threads in a double knot, for extra security, add a drop of fray check to the knot. You can find a video demonstrating this here: <https://www.youtube.com/watch?v=wZn7E3pgSRc>.
