FINISHING

Weave in ends. Block pieces to finished measurements.

Pin Pocket Liner in place 20” from top edge of Front so that last row of Pocket Liner lines up with side edge of Front. Rep on other Front, mirroring the placement so that next Pocket Liner lines up with opposite side edge of Front. Whipstitch pockets in place around 3 sides, leaving the side adjacent to the side edge of Front unseamed. Ensure the stitching does not show through on the other side of the Front (RS). The side where you placed The Pocket Liners is now the WS of the Front Panels.

Sew Fronts to back at shoulders using a mattress stitch, place locking marker at the top center of each Sleeve. Use marker to align center of Sleeve with shoulder seam. Using a mattress stitch, sew Sleeves along the edge of Front and Back.

Sew the Sleeves and then Front and Back until you reach Pocket Lined edge. Continue sewing along unseamed edge of Pocket Liner and then rem lengths of Front and Back.

Weave in rem ends.
