

FINISHED MEASUREMENTS

24" x 36" x 24" when stuffed

MATERIALS

Premier® Yarns Snow Cone™
(100% Polyester; 7oz/200g, 30yds/28m)

- 1129-04 Green Apple – 6 balls

Needle: US Size 35 (19 mm) knitting needles
or size needed to obtain gauge

Notions: Tapestry needle, smooth yarn for
seaming in coordinating color, polyester stuffing

GAUGE

3 1/2 sts x 4 rows = 4" in Garter st

Save time, check your gauge.

PATTERN NOTES

Beanbag is worked flat and then seamed.

Approximately 85 oz (2-3, 32 oz bags) of Polyfil is used to stuff Beanbag. A pillow or comforter can also be used to fill the Beanbag.

BEANBAG

Cast on 42 sts. Work in Garter St (knit every row) until piece measures 36" from cast-on. Bind off.

FINISHING

Thread smooth yarn onto tapestry needle. Fold piece in half, lengthwise and sew along long edge. Sew bottom of bean bag along short edge from the fold to the seam. Stuff Beanbag. Sew top of Beanbag by folding opening perpendicular to the seam on bottom edge. Weave in ends.

Abbreviations

st(s) stitch(es)
