**PATTERN NOTES**

This Cowl is worked in a tube and the ends are seamed together. To prevent a jog when switching colors, slip the first stitch purlwise on the second round of each stripe. If you prefer, you can use a provisional cast on and then use Kitchener stitch or a three-needle bind off to close the Cowl.

**COWL**

With C1, cast on 60 sts, pm and join to work in the rnd, being careful not to twist sts. Work even in **Stripe Pattern**. Rep **Stripe Pattern**, 3 more times for a total of 104 rnds, approximately 27¾", end having just finished a C4 stripe. Bind off all sts.

**FINISHING**

Seam open ends together forming a tube, with the stripes going vertically.

Weave in ends.

Wash and block to Finished Measurements, if desired.
