GAUGE

6½ sts x 9 rows = 8" in St st

Exact Gauge is not critical for this project

PATTERN NOTES

At the gauge worked for the sample the entire ball of color B is used. If you work at a looser gauge a 2nd ball may be needed.

The cleanest way to join a new ball of yarn is to use a needle and thread to sew the two ends together. I tuck the end of the new ball of yarn inside the end of the old ball of yarn and quickly whipstitch them together. There is no need to be too fussy about it. I recommend sewing together both balls of color A together before beginning and winding them into 1 ball.

Bind off leaving last st on needle.

Starting with final stitch, finger crochet 6 chains for hanging loop. Fasten off, leaving a 6' tail for seaming.

FINISHING

The easiest way to sew with this yarn is to use your fingers to poke and pull the yarn between the stitches. Weave in ends, except for the long tail left from the hanging loop.

Using the long tail, sew hanging loop down to last st, sew back seam and beginning edge. Weave in end.

Use a needle and thread to sew the ends in place on the inside of the stocking to keep them from popping out to the right side.
