

Macaron Hat

Level: Intermediate

FINISHED MEASUREMENTS

Circumference: 17"

Height: 10 ¾"

MATERIALS

Premier® Yarns Sweet Roll® (100% acrylic, 140g/245 yds)

- #1047-44 Honey Lavender – 1 skein

Hook: US Size H (5.0 mm) and I (5.5 mm) crochet hook *or size needed to obtain gauge*

Notions: Tapestry needle, stitch marker

GAUGE

12 dc x 6 rows = 4" in CRDC

Save time, check your gauge.

PATTERN NOTES

Hat band will be made first and will be doubled when desired circumference is reached; rnds of crdc will make up the body of the hat and will be worked in a spiral, using a stitch marker to indicate the starting stitch.

Hat will be slightly slouchy. For a tighter fit, do one row fewer of crdc's.

STITCH GUIDE

Crossed Double Crochet (CRDC): Skip 1 stitch, double crochet in the next stitch, then double crochet in the stitch you skipped.

Use 2 new sts each time, making sure not to work into the stitches already used.

HAT

With smaller hook, chain 17.

Row 1: Sc in the 2nd ch from hook and in each ch across, turn – 16 sc.

Row 2: Ch 1, sc in blo to end of row, turn. Rep Row 2 until circumference is 17".

You will now join one side of the band to the other to being working in the rnd. Sl st in the back loop of the last row to the front loop of the 1st row and sl st short sides of band together. Do not cut yarn.

Fold brim in half lengthwise and slip st the 2 long ends together to make a double thick brim.

From the right side, sc 60 sts along the folded edge of the hat. Place a marker to indicate the first st of the rnd.

With larger hook, work 1 rnd of dc.

Skip the first st after the marker and begin continuous rnds of **CRDC** – 30 crdc.

Continue working in rnds of **CRDC** until hat measures 8" from bottom of brim.

Begin decrease rnds:

Dec Rnd 1: *Work 2 CRDC, skip one dc, rep from * around, eliminating 1 st between 2 completed crosses – 24 crdc.

Dec rnd 2: Rep Dec Rnd 1 – 20 crdc.

Dec rnd 3: *Work 1 CRDC, then skip one dc from previous rnd; rep from * around, eliminating 1 st between each completed cross – 20 crdc.

Dec rnd 4: Rep dec rnd 3 – 7 crdc.

By Premier Yarns Design Team

FINISHING

Cut yarn leaving a 12" tail. Use tapestry needle to thread yarn through every other st on the final rnd. Pull the top of the hat closed and fasten off. Weave in all ends.

Abbreviations

beg	beginning
blo	back loop only
ch	chain
dc	double crochet
dec	decrease
rnd	round
sc	single crochet
sl st	slip stitch
