PATTERN NOTES

Lightweight, hazy, and luminous – Merino Mist is the perfect yarn for a cozy cowl. That's why we've chosen it for the Swivel Cowl. Simple ribbing frames the twisting cables that adorn this cool-weather accessory.

The Swivel Cowl is knit in the round from the bottom up. You may wish to place stitch markers between each pattern repeat to help you stay on track.

Two cables needles are required in this pattern. One cable needle will be designated as CN1 and the other as CN2.
