PATTERN NOTES
This light and lofty rectangular stole is generously sized but works equally well as a scarf. It's crocheted lengthwise in a very easy all-over mesh pattern. The ending edge of the mesh pattern naturally forms cute scallops. After the main stole is complete, an edging is added to the beginning edge so that the two sides match. Grab your two favorite shades of Alaska and get to hooking!

The sample pictured took exactly two balls of each color. You may wish to purchase an extra skein of each (for a total of 3 skeins per color) in order to ensure that you do not run out.
