PATTERN NOTES

This beautiful hat features mesmerizing colorwork using an interesting color combination. Each repeat of color points upward, eventually coming together at the crown and creating a star motif. The color repeats are easy to memorize and addictive to knit – it may be knit at a fine gauge, but we're sure you'll knit it up in no time at all!

Worked in the round from the bottom up, only two colors are carried at once. For your convenience the stitch patterns are both written and charted.
