WARNING!

If you do not understand these directions, or if you have any doubts about the safety of the installation, please call a qualified technician. Check carefully to make sure there are no missing or defective parts. Improper installation may cause damage or serious injury. Do not use this product for any purpose that is not explicitly specified in this manual. Do not exceed weight capacity. We cannot be liable for damage or injury caused by improper mounting, incorrect assembly or inappropriate use.

PACKAGE CONTENTS

NOTE: NOT ALL HARDWARE INCLUDED WILL BE USED

CAUTION!

DO NOT INSTALL INTO DRYWALL ALONE. VERIFY YOUR WALL CONSTRUCTION. USE WOOD STUDS TO MOUNT. We include mounting for brick and concrete walls. If unsure, please contact us at vivo-us.com, email at help@vivo-us.com, or call us at 1-800-371-5654.

TOOLS NEEDED

DO NOT EXCEED WEIGHT CAPACITY.
Failure to do so may result in serious injury.

ASSEMBLY STEPS

STEP 1

Use the stencil (**C**) to mark drilling locations on your wall with a pencil. Using a 3/8" bit, drill holes in the marked locations approximately 2.4" deep. Insert drywall anchors (**W-B**). With two people, hold mount in place and insert bolts (**W-A**). Tighten using a Phillips head drill bit.

STEP 2

With TV face down on a flat surface, place mounting brackets (**B**) on back. Ensure safety bolts on brackets are positioned towards the bottom.

Secure mounting brackets (**B**) to the TV using metal spacers (**M-F**) and bolts (**M-A**, **M-B**, **M-C**), depending on the size of the mounting holes on the back of the TV. If the bolts are too long, spacers (**M-G**, **M-H**) may be required as shown in diagram.

STEP 3

Carefully attach the TV to the mount (**A**). Tighten the safety bolts using a Phillips head screwdriver.

Love your new VIVO setup and want to share?
