

HAUSER

SITE FURNITURE

North America's manufacturer of high quality commercial outdoor furniture, shade structures and custom design.

SITE FURNITURE EVOLVED.

Established in 1949, Hauser Site Furniture is the leading manufacturer of commercial furniture and amenities for exterior applications. From park to streetscape, Hauser's solutions are engineered and manufactured to exceed the requirements for extended use in a wide range of public environments.

Our flexible design and custom manufacturing solutions meet the demands of the most complex projects and discerning customer requirements. Three generations of hands-on Hauser expertise and 150,000 sq/ft of state-of-the-art manufacturing facilities ensure your Hauser furniture surpasses your expectations for dependability and durability.

After six decades of continuous improvement, the Hauser brand stands above the rest for quality, value and integrity. Each and every day we strive to meet the needs of our clients through unparalleled service, insightful product design, and superior performance.

Your satisfaction is our priority.
