- A** Lanyard Loop Holes
- B** Screws (8)
- C** Non-skid Pads
- D** Handle
- E** Charging Dock Access
- F** Volume Access
- G** Camera Lens Access
- H** Headphone Jack Access

The GoNow Case has a high-impact exterior and foam padded interior to absorb shock. It accommodates iPad 2 and up.

Size: 8" x 11" x 1 1/8"

Weight: 5 oz. without iPad

Charging the iPad is easy through the access space in the handle!

## Step-by-step Instructions

You'll need your iPad, the GoNow Case, and a Phillips screwdriver.

Loosen the 8 screws on the back of the case. When fully loosened, the screws will remain in the case so you don't lose them.

Remove the back and set it aside.

Turn the iPad face-down so its charging dock aligns with the access port near the handle of the case.

Put the back of the case on the iPad so the handle openings match.

Tighten all 8 screws.
