

## 76224 - WOOD PLANK SOAKER CLIPS

### *Instructions:*

- Slide clips onto grilling planks (holds 1 or 2 planks)
- Push suction clips in place on the bottom of sink or container
- Place plug in sink (if applicable)
- Fill sink or container with water until planks are fully submerged (approx. 2.5")
- Allow planks to soak for 1 to 2 hours
- Remove clips from sink by pulling up on tabs on the silicone suction cups
