Seven Prophets and the Culture War
by Alexandre Havard

Philosophy has an undeniable influence on every facet of our lives – from education to culture, politics, and interpersonal relationships. For better or for worse, philosophers’ ideas influence our hearts and minds.

“It is important to understand these ideas, and to unravel them,” Alex Havard writes in *Seven Prophets and the Culture War*, “to determine what is true about them and what is false, which ones elevate man and which ones debase him. But it is even more important to determine what manner of person is the philosopher who is speaking to us.”

To this end, Havard introduces us to seven influential philosophers, reviewing their lives and thoughts in detailed yet easy-to-understand profiles.

Three of the seven – Descartes, Rosseau, and Neitzche – provoked or facilitated great upheavals, many of which indelibly marked the world we live in today.

The others – Pascal, Kierkegaard, Dostoyevsky, and Soloviev – predicted these very upheavals and showed us the way to overcome them.

Havard walks us through the hills and valleys of modern history: the philosophical pitfalls embraced by the world, and the transcendent values and virtues that will help us overcome them.

Available January 1st, 2024 in US and international distribution, *Seven Prophets and the Culture War* helps readers to understand where our society's intellectual confusion began, so that we may find our way out of it.

About the Author

Alexandre Havard is the founder of the Virtuous Leadership System. He was born and raised in Paris and is a graduate of one of France's leading law schools (Paris Descartes University). He worked as a lawyer in Europe for many years before discovering his mission to ignite hearts for greatness and raise up a new generation of Virtuous Leaders. His books on leadership, character, and virtue have been translated into many languages worldwide.

About Scepter

Scepter Publishers is a 501(c)(3) non-profit organization that provides content to enrich hearts and draw people nearer to the ever-present and totally loving God. Since 1952, Scepter has been serving Catholics around the world with books and content that are in alignment with the authentic teachings of the Magisterium of the Roman Catholic Church. Inspired by the life and thought of St. Josemaría Escrivá, Scepter Publishers seeks to help men and women put Christ at the center of their lives and at the summit of all human activities.
